Henrik Sundell leaves Fingerprint Cards

Fingerprint Cards' (FPC) General Counsel and member of the executive management team, Henrik Sundell has decided to leave the Company during spring 2016.

Henrik Sundell joined FPC spring 2015, and apart from the above mentioned positions, he has also been secretary of the Company's Board of Directors.

"Henrik Sundell is a very competent and capable General Counsel who has brought substantial value to the Company. We wish him all the luck when he now moves on", says Jörgen Lantto, President and CEO of Fingerprint Cards.

The process of appointing a new General Counsel for FPC has been initiated.

About Fingerprint Cards AB (publ)

Fingerprint Cards AB (FPC) is a high tech and listed company which develops, produces and markets biometric technology that through the analysis and matching of an individual's unique fingerprint verify the person's identity. A secure and convenient user experience is thus made possible, beyond keys and pins. The FPC technology offers world class advantages and include unique image quality, extreme robustness, low power

consumption and complete biometric systems. With these advantages and in combination with low production costs the technology may be implemented in large volume products as smartphones, tablets and biometric cards where these demands are extremely high. FPC's technology have user cases from a number of applications.
