Before selling, Jörgen Lantto's total holdings in the company amounted to 4 636 500 shares in a brokerage account and 95 475 shares in endowment insurance. After the sale Jörgen Lantto has 1 731 975 shares left in Fingerprint Cards, which includes 95 475 shares in endowment insurance.

The transaction has been registered in Finansinspektionen's inside trading register in accordance with prevailing rules and regulations.

About Fingerprint Cards AB (publ)

Fingerprint Cards AB (FPC) is a high tech and listed company which develops, produces and markets biometric technology that through the analysis and matching of an individual's unique fingerprint verify the person's identity. A secure and convenient user experience is thus made possible, beyond keys and pins. The FPC technology offers world class advantages and include unique image quality, extreme robustness, low power

consumption and complete biometric systems. With these advantages and in combination with low production costs the technology may be implemented in large volume products as smartphones, tablets and biometric cards where these demands are extremely high. FPC's technology have user cases from a number of applications.
